

NEW ROOTS COMMUNITY GARDENS

By improving access to nutritious, culturally relevant foods, our New Roots program empowers refugees to rebuild communities on new soil. We're better as a community — and we couldn't create one without your help.

WHY SPONSOR OUR GARDENS?

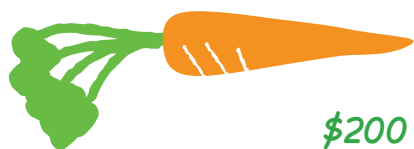

Your donations help bring fresh food and a healthy environment for growth to those who need it most. All funds directly support important New Roots programs and projects, including:

HEALTH & WELLNESS
PROGRAMS

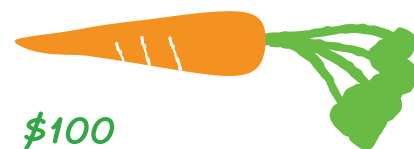

SUSTAINABLE AGRICULTURE
EDUCATION

SEEDS, PLANTS & GARDENING
SUPPLIES

COOKING & NUTRITION
CLASSES

LEVELS OF SPONSORSHIP

\$200
MASTER GARDENER SPONSOR
Full Plot Sponsorship

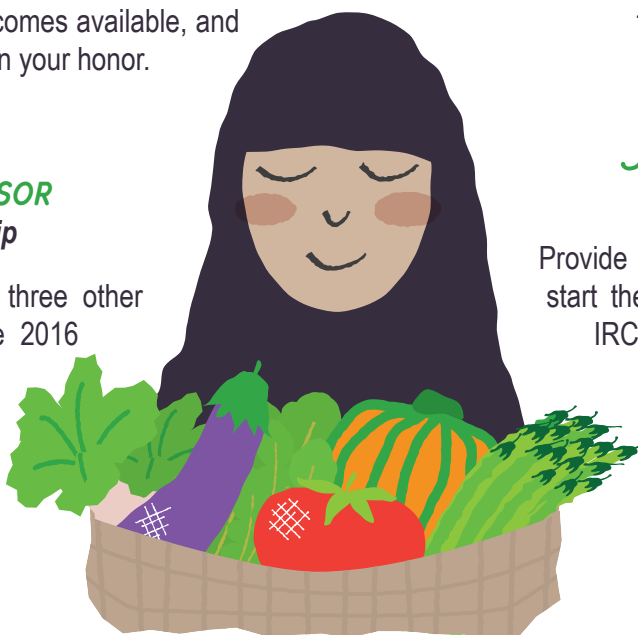

Sponsor one family plot for the entire 2016 growing season. For your donation, we'll add your name to our "Garden Plot Sponsorship" donors list which will be displayed at the garden. You will also receive a packet of New Roots vegetable seeds, IRC global and local New Roots information and updates as it becomes available, and the IRC will plant a flower in your honor.

\$100
GREEN THUMB SPONSOR
1/2 Plot Sponsorship

Co-sponsor a garden plot for one family for the 2016 growing season. For your donation, we'll add your name to our "Garden Plot Sponsorship" donors list, which will be displayed at the garden. You will also receive a packet of New Roots vegetable seeds, and the IRC will plant a flower in your honor.

\$50
SUNSHINE SPONSOR
1/4 Plot Sponsorship

Co-sponsor a garden plot with three other sponsors for one family for the 2016 growing season. We'll add your name to our "Garden Plot Sponsorship" donors list, which will be displayed at the garden. For your donation, the IRC will plant a flower in your honor.

\$25
SPROUT SPONSOR
Plant Sponsorship

Provide seeds and plants for one family to start their garden. For your donation, the IRC will plant a flower in your honor.
